

Vivekanand Education Society's
BUSINESS SCHOOL

Placement Report for Batch 2019-21

Summary

Vivekanand Business School is proud to announce the remarkable success of the PGDM Class of 2021 during their placement season. These graduates attracted recruiters from diverse industries, solidifying their status as outstanding professionals. The season stood out with a substantial increase in the number of job roles, capturing the attention of prestigious companies such as Times Group, Thomson Reuters, Citi Group, GEP Solutions, Naukri.Com, Vedantu Kotal Bank, General Mills, Capegemini, Godrej properties, and CRISIL. The institution's graduates

garnered growing acknowledgment, reflected in the influx of new recruiters, contributing to an impressive 8% annual rise in the average salary package for PGDM graduates.

Furthermore, the highest Domestic salary package secured by a student witnessed a constant annual growth. Committed to providing exceptional management education, instilling ethical values, and nurturing a global perspective, Vivekanand Business School is dedicated to empowering its students to emerge as influential leaders in the dynamic business landscape.
